

Helping Santa's Helpers

It takes many individuals and corporations to bring the holidays to life for the patients and students at Franciscan Hospital for Children. This holiday season your generosity made a direct impact on children facing chronic medical conditions and behavioral health challenges. But how big an impact?

40 Boxes
of Legos

70 Packages
of Play-Doh

150
Dolls

- 500** Kids Served
- 2+** Number of toys each child received, many of which were wrapped and then delivered by nurses on Christmas morning.
- 1700+** Total toys collected and distributed
- 17** is the # of clinical programs that restocked their supplies so every child they serve (even if they arrive in July!) will have age appropriate, good condition toys to play with.
- 18** is the # of Gingerbread houses decorated

On behalf of the children and our staff, our thanks to all those friends of Franciscan who demonstrated compassion in action, making this holiday season one we won't soon forget!
