

# WAYS TO GIVE

4 easy ways you can give back to the kids at Franciscan Children's this holiday season!

Franciscan  
Children's

*So every kid can.*

## DONATE

Money can be tight around the holidays, but whether you [donate](#) \$5 or \$5,000, your gift has a big impact on our children and their families! Money collected this holiday season will enable us to make investments in everything from art supplies for our Expressive Therapies department, technology upgrades that allow us to better care for our patients, renovations to our campus that will allow us to expand our programs and serve more children in need, and much more!

## TOYS

Our annual [Holiday Wish List](#) is a compilation of items identified by our staff that our kids need, as well as things that they have specifically requested. You can conveniently shop our [Amazon Wish List](#) and ship your gift directly to us, or if you prefer to deliver your gift in person, you can arrange a drop-off time by contacting Samantha Cheung at [SCheung@FranciscanChildrens.org](mailto:SCheung@FranciscanChildrens.org), or you can leave your new, unwrapped gift at either of our reception areas. Don't forget to fill out your [Gift Tag](#) so we know who to thank!

## AMAZON

You're already shopping online - why not make your purchase through our shopping portal and earn Franciscan Children's a referral from Amazon's Smile program? There are no additional fees or shipping costs to you, it's an easy win-win, just be sure to start your shopping using [this link](#).

## SHARE

We'll be sharing plenty of photos, stories and other content on our social media accounts throughout the next several weeks to celebrate the season, spread the word about our mission, and to say THANK YOU to our followers, donors, employees and friends. If you like what you see on [Facebook](#), [Twitter](#) and [Instagram](#), please share and encourage others to check out what Franciscan Children's is all about!

THANK YOU!
