

FREE ACAT CLINIC

Speak For Yourself

A Parent's Guide to Augmentative-Alternative Communication

Presented by:

Kennedy Day School
at Franciscan Children's

THURSDAY
MARCH 30

4:00 PM – 6:00 PM

Franciscan Children's
Chamberlain Conference Center
30 Warren St.
Brighton, MA 02135

Presenter: Emily Bright, M.S., CCC-SLP, is a Speech-Language Pathologist at Franciscan Children's where she provides speech and language services to children ages 3-22 as part of the Kennedy Day School and Outpatient programs. Emily is also the Coordinator of the Augmentative Communication/ Assistive Technology (ACAT) Clinic at Franciscan Children's.

This free workshop will cover:

- Overview of Augmentative Alternative (AAC) strategies and technology, from low to high-tech methods
- Information and resources for parents of children with complex communication needs
- Explanation of feature-matching process and steps for obtaining funding for AAC equipment
- Device demos and opportunity for hands-on exploration of a range of AAC systems

Enjoy complimentary refreshments and raffles!
