

# Wearing a Face Mask

I

might

need

to

wear

a

face mask

when

I

go outside

a

face mask

keeps

me

and

my

family

safe

a

face mask

covers

my

nose

and

mouth

my

face mask

might

look

different

from

other

ones

and

that

is

okay

my

face

might

feel

warm

when

I

wear

a

face mask

this

warm

feeling

is

just

my

own

breath

feeling

my

own

breath

on

my

face

is

safe

I

can

help

keep

everyone

safe

when

I
