Wearing a Face Mask

I might need to wear a face mask when I go outside.

A face mask keeps me and my family safe.
a face mask covers my nose and mouth

my face mask might look different from other ones

and that is okay

face mask face mask face mask
my face might feel warm when I wear a face mask.

this warm feeling is just my own breath.
feeling
my
own
breath
on
my
face
is
safe

I
can
help
keep
everyone
safe
when
I
wear
a
face mask
