Dear Kennedy Day School Families,

We recognize that this is a challenging time with a lot of unknowns and constantly changing information. We hope to be able to support Kennedy Day School students and families as we navigate these unprecedented times.

To that end, below please find our email addresses, as well as a phone number that we created for use during the current school closure. Please note if you call the phone number it will go directly to voicemail. We will be checking our email and the voicemail throughout the day and will get back to you within 24 business hours.

Phone #: 857-228-8261

Email addresses: Cara Kimberg (ckimberg@franciscanchildrens.org)

Kaylyn Makins Bigelow (kbigelow@franciscanchildrens.org)

Although our primary role is to provide psychosocial support, we are happy to direct any other inquiries to the appropriate party. For medical questions and concerns, please call your primary care provider. In case of an emergency please call 911.

We look forward to connecting and working together during this challenging time.

All the best,

Kaylyn Makins Bigelow, LCSW
