

# Smiling with a Face Mask

Wearing

face

masks

all

the

time

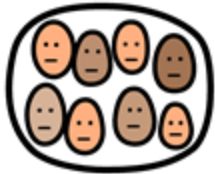

is

new

to

everyone

Not

being

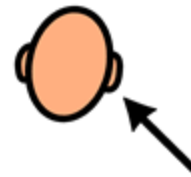

able

to

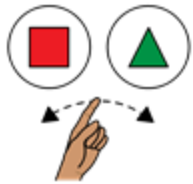

see

someone's

mouth

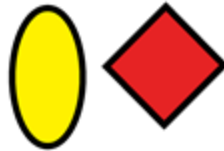

or

smile

is

different

Some

creative

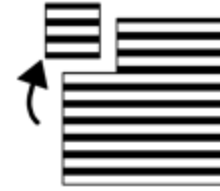

people

are

thinking

of

ways

to

show

their

smile

Some

people

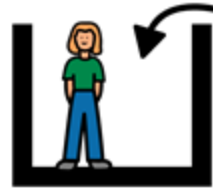

put

a

window

in

their

mask

to

show

a

smile

Some

people

pin

smiling

pictures

to

their

clothes

Some

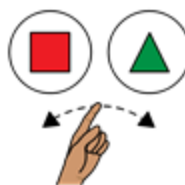

people

draw

smiles

or

silly

faces

on

their

masks

Some

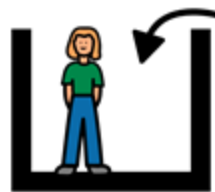

people

sew

masks

in

fun

colors

to

make

YOU

smile

Even

if

you

can't

see

a

smile,

just

imagine

one

underneath
