

Dear KDS Families,

We miss you and are looking forward to when we can be together again at school. We hope you enjoy the messages from KDS staff in the video below which can be accessed by using this link:

Please know we recognize that this format is less accessible to our visually impaired students. Families, we hope that you will watch this video with your child, pause after each picture and narrate what you see. We apologize and know that this is not ideal. If you would like a Teaching Assistant to narrate for your child please let us know and we can arrange it.

Our hope is for all students and families to feel connected to the KDS community even when we are physically apart. To that end, please let us know if you have any questions regarding how to share this video with your child.

Sending good thoughts to all!

The KDS Staff
