

Making Lemonade Play Dough

Supplies Needed:

- 1 cup flour
- 3 packets of powdered lemonade mix (e.g., Koolaid brand)
- ½ cup salt
- 1 tablespoon cream of tartar
- 2 tablespoons vegetable oil
- ½ cup lemon juice
- ½ cup water
- Optional: a few drops of lemon essential oil

Directions: *Note that your family/caregiver will need to do the work involving the stove.*

1. Mix 1 cup of flour, 3 packets of powdered lemonade mix, ½ cup salt, and 1 tablespoon of cream of tartar together in a pot.
2. Stir in 2 tablespoons of oil, ½ cup water, and ½ cup lemon juice.
3. *Your family/caregiver* will mix over medium heat on a stove, stirring frequently.
4. After 5-10 minutes, the dough will start to stick together more. Once it clumps together like a ball, remove it from the stove and knead in a little bit of flour. Add as much flour as needed so the dough isn't sticky.
5. If you prefer a stronger lemon scent, drop in a few drops of lemon essential oil and knead in the dough.
6. Now you can play with your dough! It can be stored in a Ziploc bag or other container for future use.
