

How to Make Ice Cream in a Bag

1. Gather your supplies: 1/2 cup cream (or 1/2 and 1/2), 1 Tbsp sugar, 1/4 tsp vanilla extract, 1/2 cup salt, ice, gallon-sized zipper bag, pint-sized zipper bag, and spoon.
2. Mix sugar, half & half and vanilla extract together. Pour into pint sized bag.
3. Fill the gallon sized bag half way with ice.
4. Pour salt over the ice.
5. Place cream filled bag into the ice filled bag and seal the bag carefully.
6. Shake for about five minutes or until firm.
7. Enjoy!
