How to Make S'mores In the Microwave

When you want s'mores fast, look no further than the microwave. This simple recipe makes perfect s'mores when you can't get to a stovetop, oven or campfire.

Instructions:

1. Place 1 graham cracker half on paper towel; top with chocolate bar half and marshmallow.
2. Microwave at MEDIUM (50%) in 10 second intervals until marshmallow puffs.
3. Immediately top with remaining graham cracker half; gently press together.
4. Repeat for each serving; serve immediately.
