=

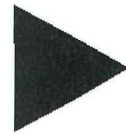

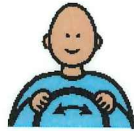

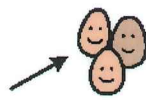

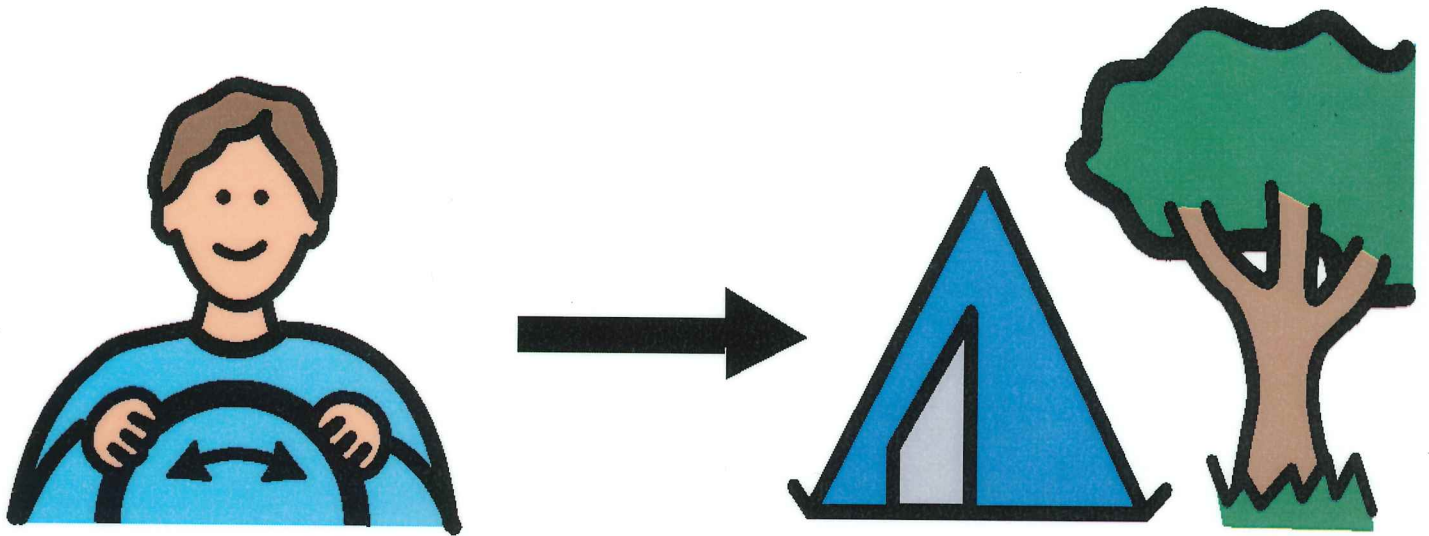

Matt and his family are

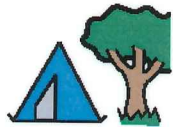

going camping. They pack

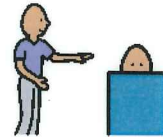

their car.

They drive to the

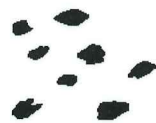

&

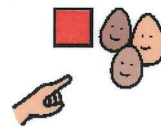

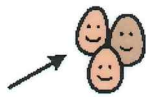

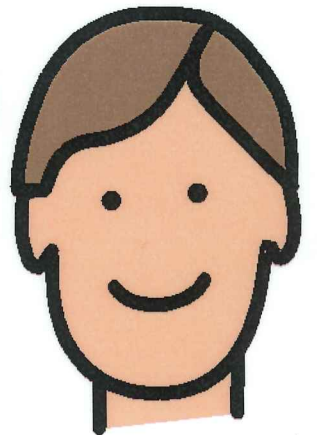

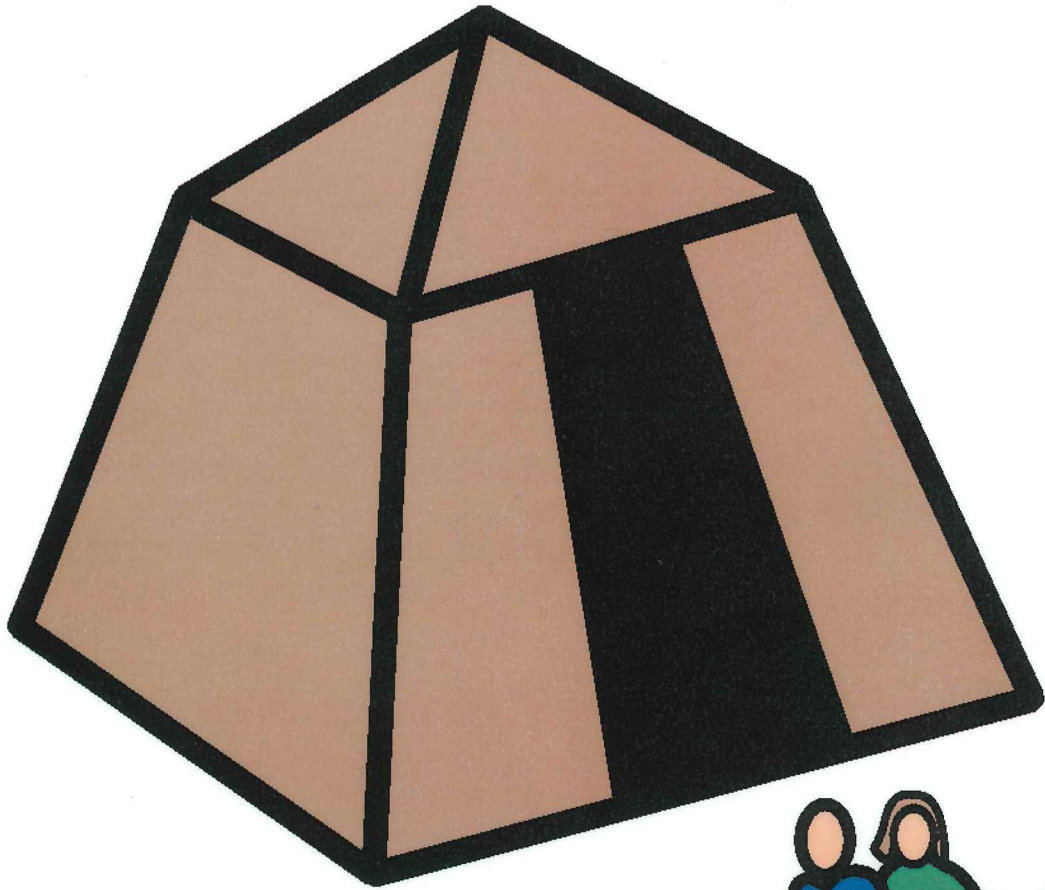

A

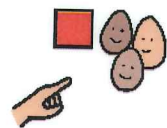

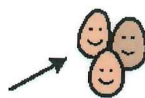

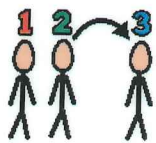

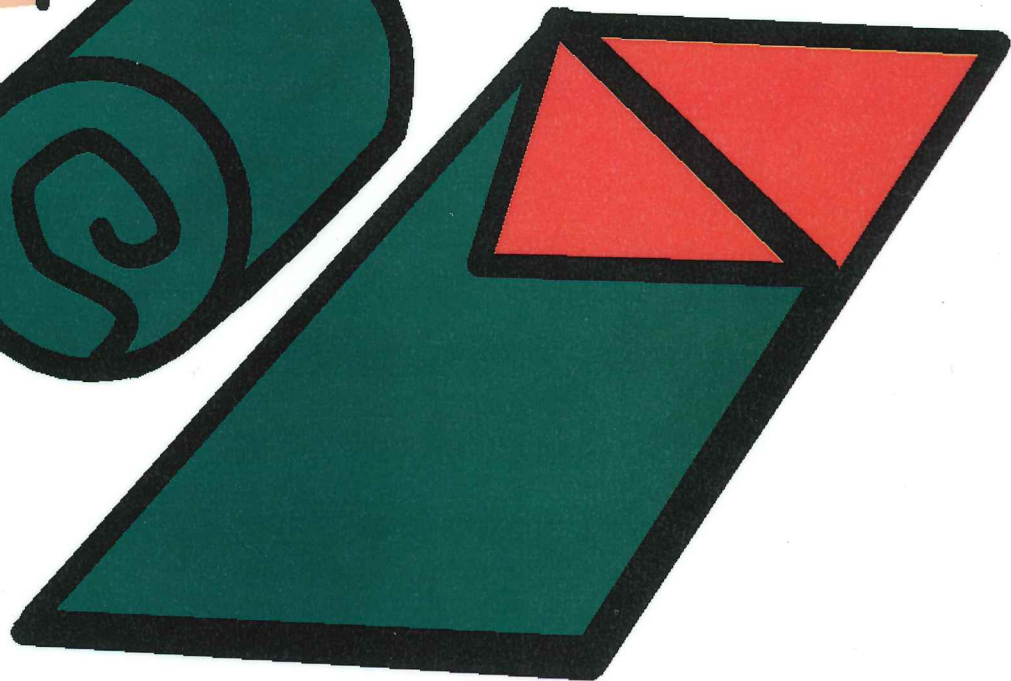

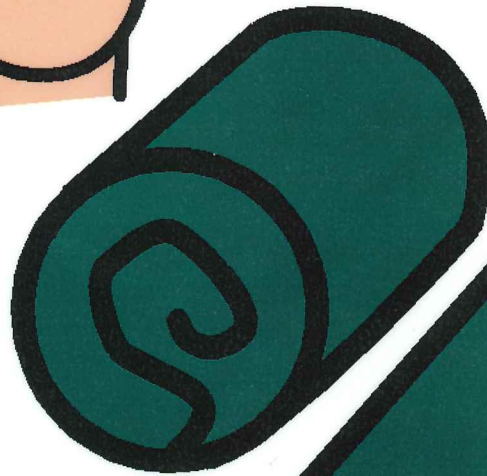

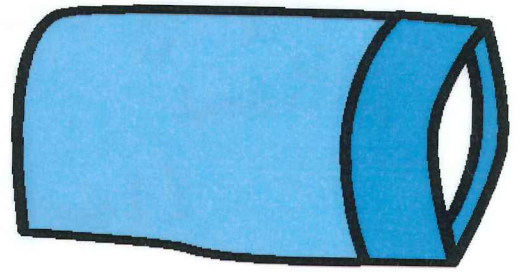

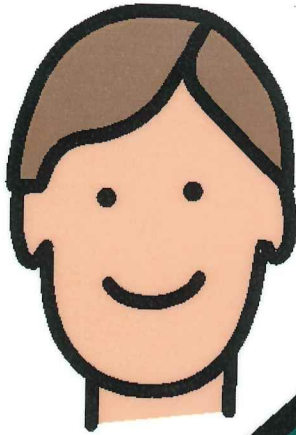

campground and find a

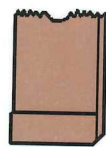

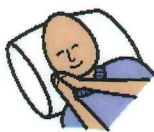

spot.

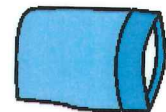

First they setup their tent.

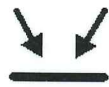

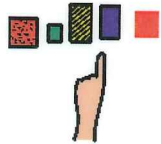

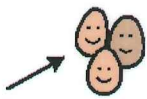

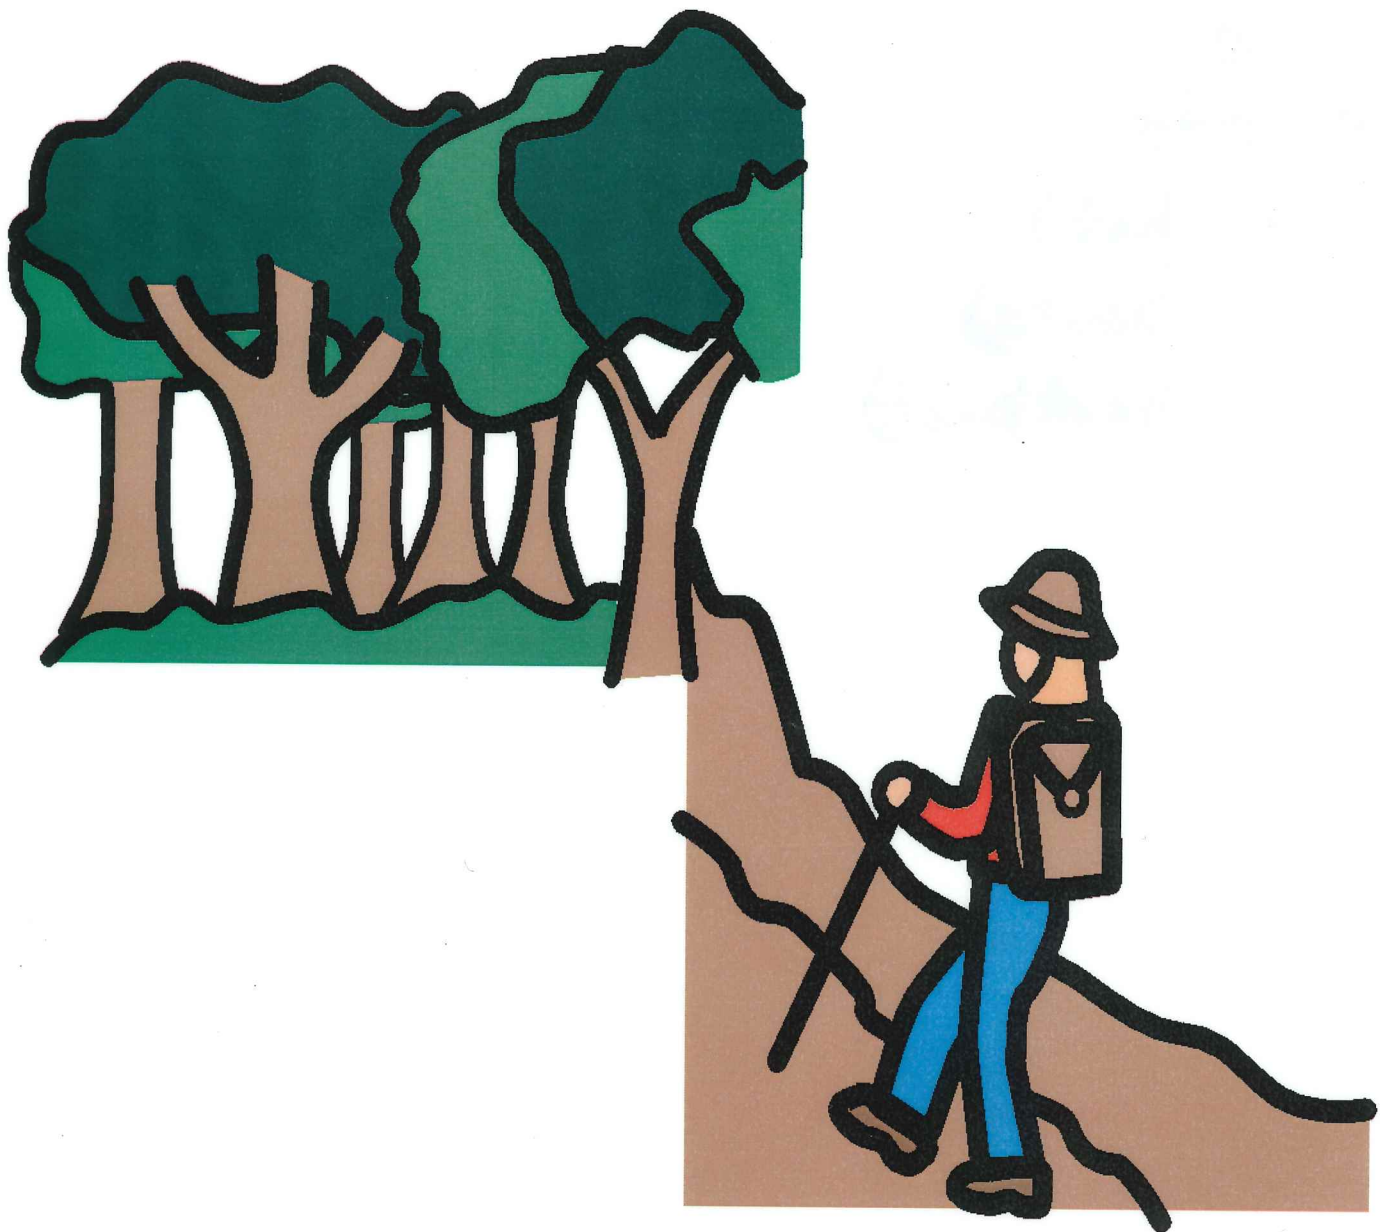

Next they roll out their

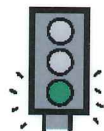

&

sleeping bags and pillows.

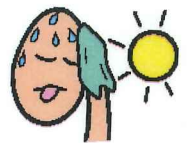

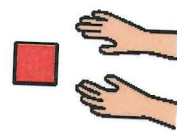

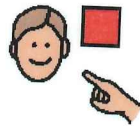

They decide to explore and

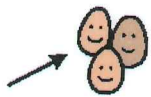

go for a hike.

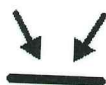

&

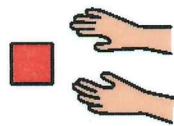

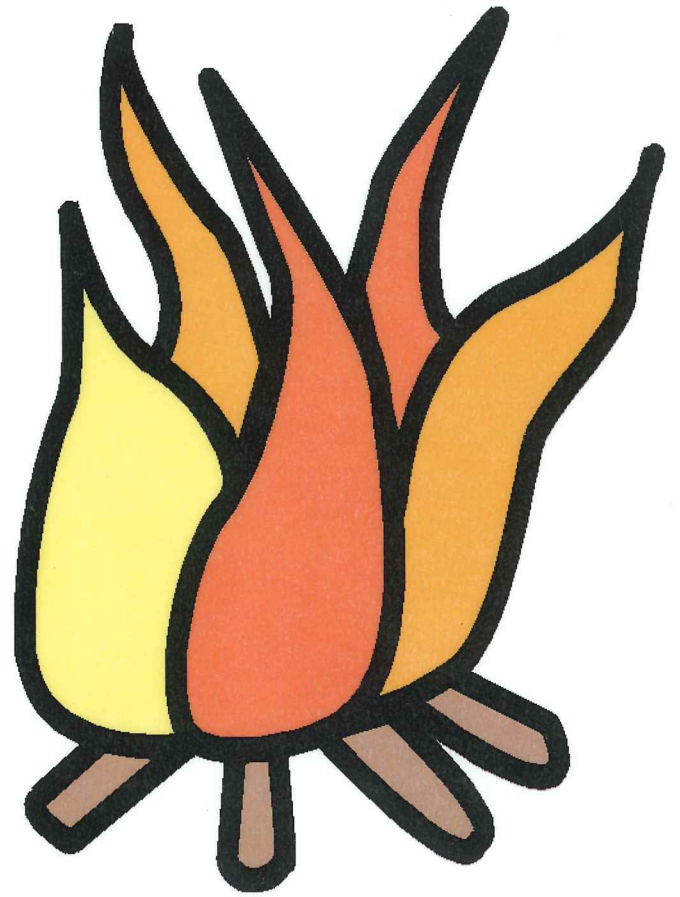

Matt and his family get hot.

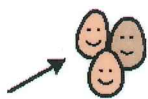

They go swimming in the

lake to cool off.

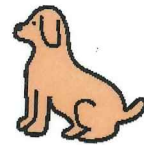

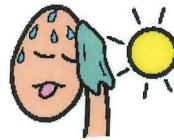

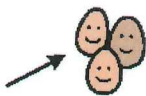

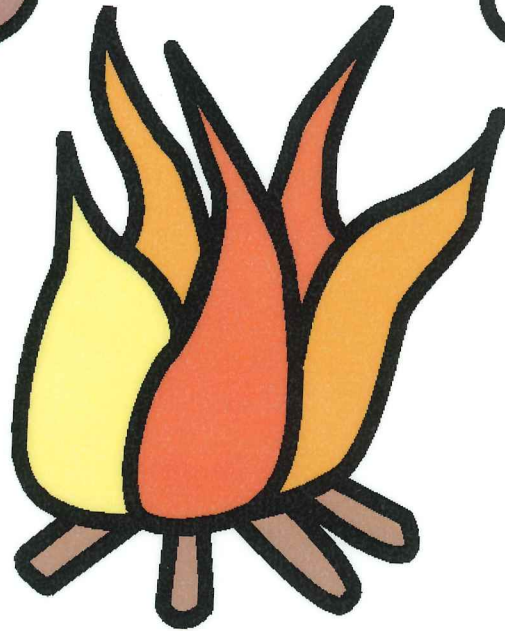

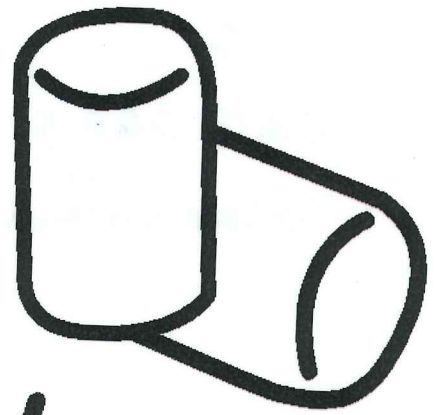

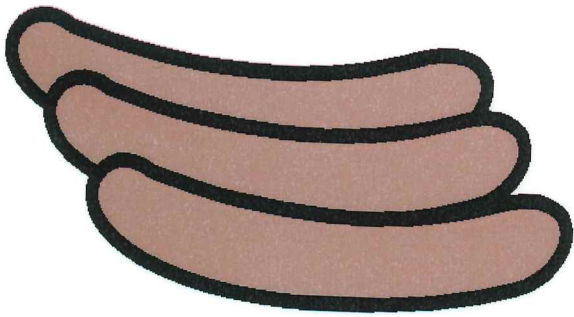

It is getting late and dark.

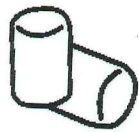

They build a camp fire.

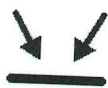

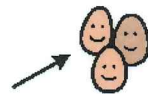

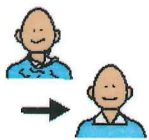

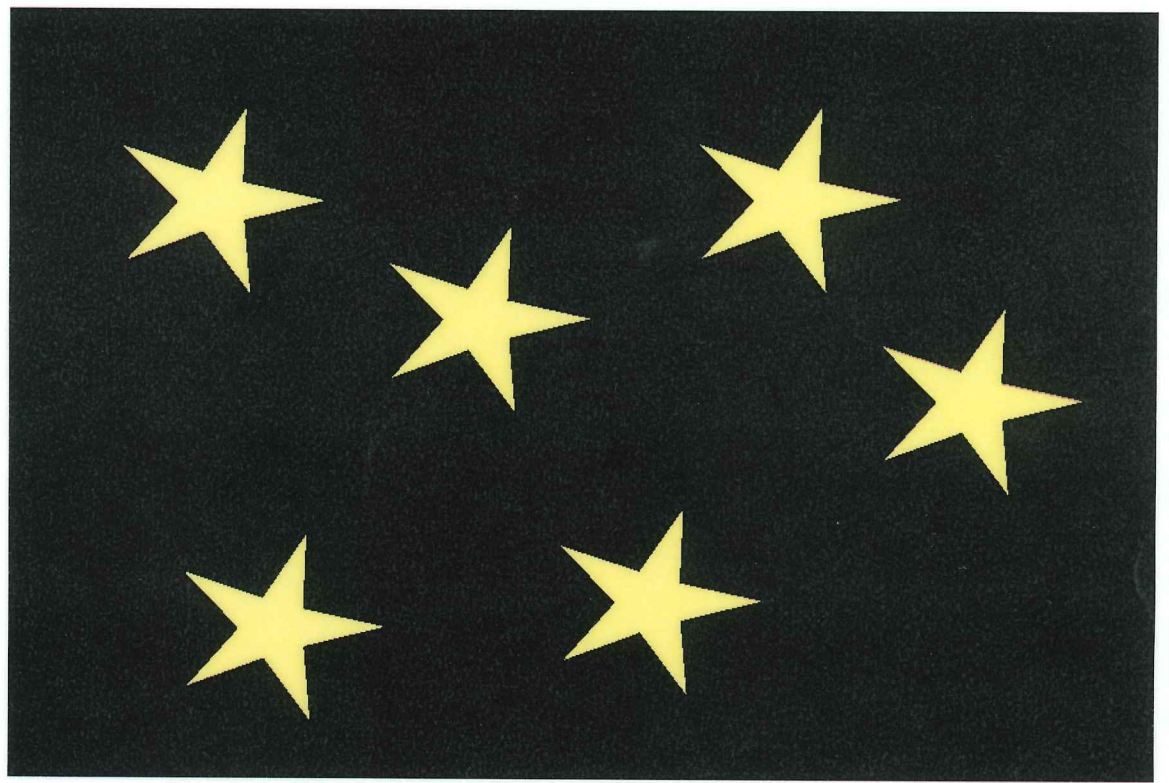

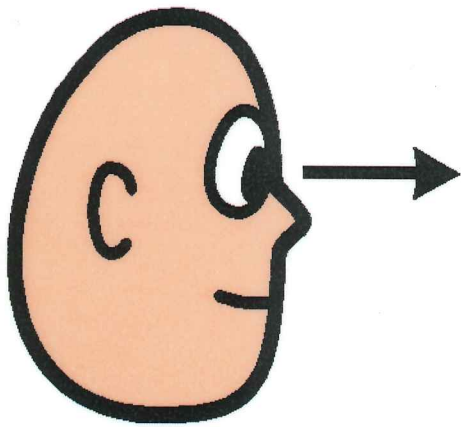

They roast hot dogs and

marshmallows on the fire

to make s'mores.

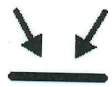

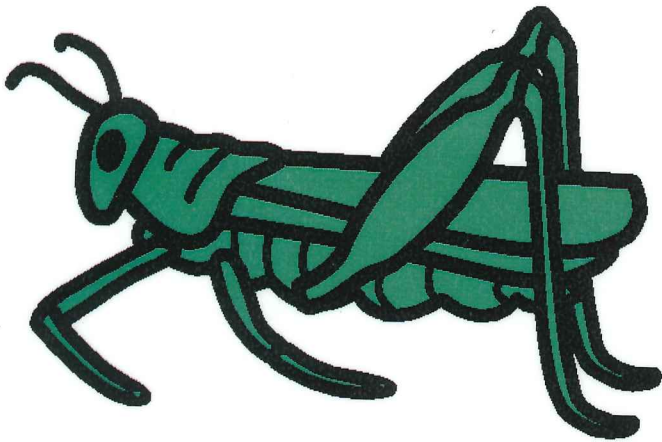

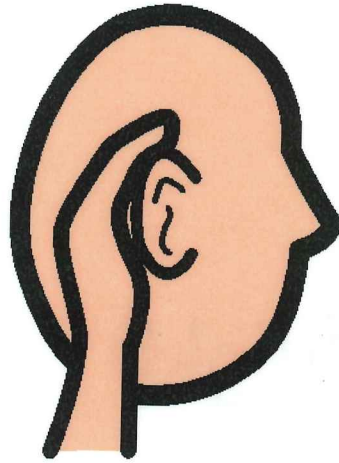

After dinner, they look at the

&

stars, and ...

listen

to

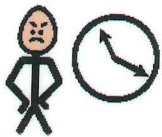

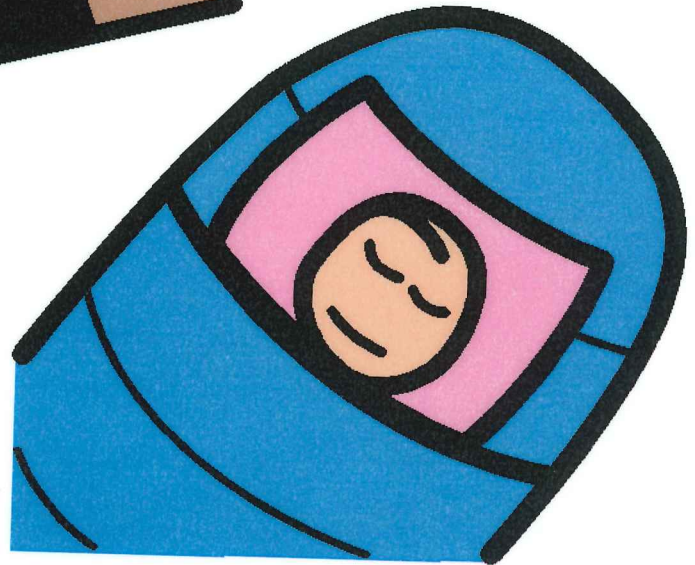

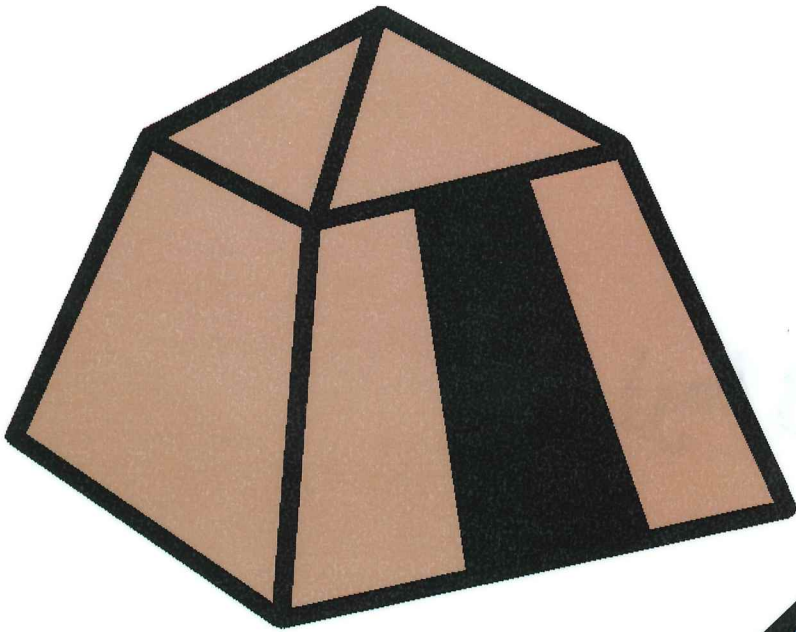

the

crickets

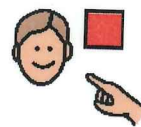

and

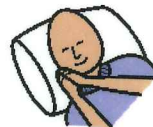

frogs.

&

Finally, Matt and his family

go

to

sleep.
