

# Speech Group Activity

## Week of 7/6/20: Beach 1

### What's in this lesson?

There are a variety of materials included here. Please feel free to try any or all of them, depending on what works best for your student and your family. You do not need to focus on all of these target areas! Please feel free to contact your child's speech-language pathologist if you're not sure which materials may be the most appropriate. Whatever you choose to do, have fun!

- **Beach Vocabulary Symbols (PDF)**

Follow along with this read-aloud of the book *Let's Go to the Beach* with object exploration. Feel free to pause the video to discuss objects/vocabulary during the story.

Feel free to add other things to the bottle (e.g., glitter, sand, little sea shells, small plastic sea creatures, etc.). Recipe: 1/3 of bottle water with blue food coloring, rest of bottle fill with oil (vegetable oil or baby oil work well)
