

# Review Test Results

Boston Children's and Franciscan Children's Portal Users

Review test results and overall trends in your MyChildren's Patient Portal. Portal users can also print and save test results for their personal records.

## 1. Log in to MyChildren's

- Open the MyChart app or log in to your MyChildren's account.
- Check that you are viewing the correct patient's account in the top right corner.

MyChart app icon

## 2. Select Test Results

- Located in the top menu bar on the screen.

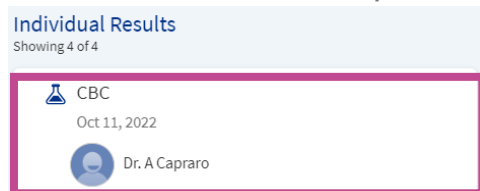

## 3. Select Result to View

- Results are listed from newest to oldest.

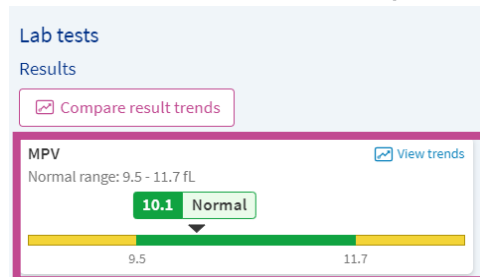

## 4. Review Results

- You can review all lab results and compare results trends over a specific time period.

Step Three

Step Four

## Optional: Print the Test Results

- On a computer:
  - Select the print icon next to the lab title.
  - In the new window, select **Print**.
- On a MyChart app:
  - Select the three vertical dots next to **Test Details**.
  - Select **Print** at the bottom of the page.
